

# Discovering your soul purpose

Discovering your soul's purpose requires self-reflection, intuition, and embracing your true self. Here are key questions to guide you.

1

Why am I here? What is the purpose of my life?

2

What legacy do I want to leave behind?

3

What is my innermost desire?

# Discovering your soul purpose

Discovering your soul's purpose requires self-reflection, intuition, and embracing your true self. Here are key questions to guide you.

4

What activities make me feel most alive and fulfilled?

5

When do I feel most connected to my true self?

6

What unique gifts or talents do I bring to the world?

# Discovering your soul purpose

Discovering your soul's purpose requires self-reflection, intuition, and embracing your true self. Here are key questions to guide you.

7

What are my core values that guide my decisions and actions?

8

What limiting beliefs hold me back from living authentically?

9

What fears prevent me from fully embracing and expressing my authentic self in the world?
